To All Third Circuit Bankruptcy Judges and Attorneys:

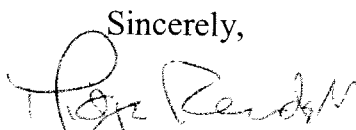

This year at our Third Circuit Judicial Conference, being held April 30 through May 2, 2006, we will be offering for the first time an extended, high-level bankruptcy program, in addition to the regular programming of interest to all judges and practitioners. A detailed description of the bankruptcy program is attached.

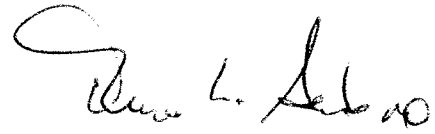

We are gratified that well-known experts in the field of bankruptcy law have accepted our invitation to speak: Harvey Miller, Esq., Professor Alan Resnick, Professor Charles Mooney, and Eric Brunstad, Esq., to name just a few. We believe that their interest in speaking to you should be met with enthusiasm and a high level of participation from the bankruptcy community of the Third Circuit.

We hope that the setting – at beautiful Nemacolin Woods in Southwestern Pennsylvania – and the excellence of the non-bankruptcy programs, will make this a special program for our bankruptcy practitioners and provide the opportunity to network and join together to discuss issues of common interest.

For more information, and to register, please visit the Conference web page on the Third Circuit Court web site at www.ca3.uscourts.gov.

Anthony J. Scirica
Chief Judge

Sincerely,

Marjorie O. Rendell
